Reggie and Lu

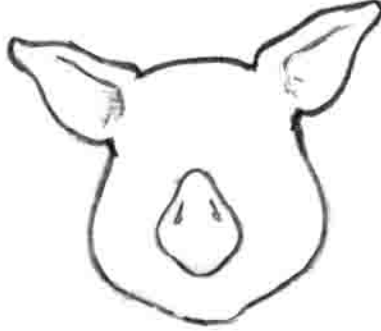

NAME

(and the same to you!)

Drawing Facial Expressions

An illustrator changes the way a character is feeling with a few lines and dots... and so can you.

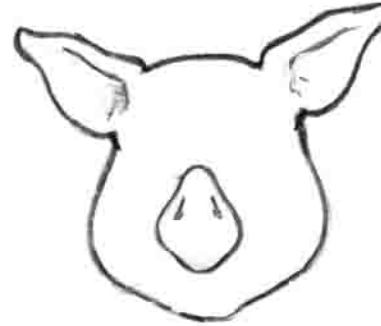

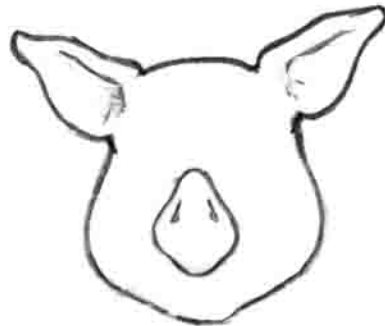

How do you think Reggie is feeling here?

Can you make Reggie smile too?

Oh dear!
Lu doesn't look quite as happy.

Can you make Lu even crosser?

Reggie thinks Lu looks really funny.
Can you make him laugh?

Lu can see the funny side too.
Can you make her laugh at herself?

How do you want Reggie and Lu to feel now?
